Menus

Your first meal as husband and wife...

Great pride is taken in sourcing the very best fresh seasonal ingredients to create dishes buzzing with bold ideas, elegantly presented and precisely balanced in texture and taste.

The resulting cuisine finds equilibrium in the modern and the traditional, the English and the continental, the basic and the intricate.

Our Chefs are committed to creating a menu that is unique to you from fish and chips to frogs legs to foie gras in our own distinctive 1885 style.

While you are welcome to select from our menus if you would rather opt for a la carte style dishes these can be created with our head chef Nathan for a premium. Nathan can assist you in devising a bespoke menu to celebrate your marriage and suit your personal tastes from ideas provided.
